Redeemer’s University is a world class teaching and research institution with well-equipped and functional facilities across disciplines. Our University is the one and only private University in Nigeria that won the UNIDO Nigeria National Quality Gold Award back to back in 2017 and 2018 and World Bank African Centre of Excellence for Genomics of Infectious Diseases. Some, among other awards and accolades won in the recent past, include H3 Africa Grant (UK), 2014, 2017 and IChem Global Award, (UK) 2014; Best Private University in Osun State (2015, 2016, and 2017), Seeding Labs Equipment Grant (USA) 2016, 2017; Best University in Life Sciences and Medicine (NURSEDEF) 2016. The strong research base of the University has enabled her to attract grants from The World Academy of Science (TWAS) in 2015 to provide scholarships for six (6) Chemical Sciences students for their M.Sc. programmes. The University’s high technology and laboratory equipment are of global standard. We are in collaboration and partnership with world leading institutions such as Harvard University, Broad Institute and Massachusetts Institute of Technology (MIT), University of Potsdam, Germany and University of Sao Paulo, Sao Carlos, Brazil. Our M.Sc. and PhD programmes in Molecular Biology were granted International accreditation by AQAS-e.v. The University is fully equipped with world standard electronic board and learning platforms. Applications are invited from suitably-qualified candidates for admission into full-time PGD and Masters and full-time/part-time PhD programmes of the Redeemer’s University for the 2019/2020 academic session in the following disciplines:
