2014/2015 SESSION

INSTRUCTIONS ON CHOICE OF QUESTIONS TO BE ANSWERED: Answer 1 and any other 3 questions making four (4) question in all.

TIME ALLOWED: 2 ½ hours

Question 1

As long as humankind does things, there will always be projects and this explains why humankind has been involved in project activities for a long time. However, despite these activities some humankind activities are not regarded as project, why?

Question 2

Discuss the content of a good feasibility study for a project and comment on the place of feasibility study in project evaluation.

Question 3

Classify and discuss the criteria to be considered in the wake of decision for a project choice.

Question 4

With the aid of diagram, discuss the most appropriate project cycle with reference to the significance of each stage.

Question 5

Discuss succinctly factors responsible for project failure and provide a technical framework to resolve these factors.

Question 6

Write briefly on the following terms

- Project costing
- Project estimate
- Project identification
- Request for proposal
