**P.M.B. 230, EDE, OSUN STATE**

**ENTRY REQUIREMENTS AND SUBJECT COMBINATION PER FACULTY AND PROGRAMMES**

## 1) FACULTY OF BASIC MEDICAL SCIENCES

### a) **B.Sc Nursing**

The B.N.Sc. programme shall run for five academic years for UTME entry candidates and four years for direct entry candidates.

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, Chemistry, Biology and Physics. The U.T.M.E. Subjects are Use of English, Biology, Chemistry and Physics.

#### **Admission through DIRECT ENTRY (4 years)**

All candidates for Direct Entry must satisfy the minimum entry requirement as stated above. Furthermore, the candidate must be registered with the Nursing and Midwifery Council of Nigeria as RN/RM with at least 2 years post-registration cognate experience.

Candidate with General Certificate of Education at Advance Level or its equivalents in at least two subjects from the following: Biology, Chemistry, Physics and Zoology

Candidate who has a good degree in any of the health-related subject from any recognized University and has fulfilled the minimum entry requirement of the Faculty of Basic Medical Sciences Programme may also be admitted.

### b) **B. Sc. Human Anatomy**

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, Chemistry, Biology and Physics. The U.T.M.E. Subjects are Use of English, Biology, Chemistry and Physics.

For admission into 200 level (Direct Entry), candidates should (in addition to 5 SSCE credits in relevant subjects, including English Language), General Certificate of Education (Advanced Level) or its equivalent with three passes at the Advanced Level in Biology, Chemistry and Physics in one sitting.

### c) **B.Sc. Biochemistry**

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, Chemistry, Biology and Physics. The U.T.M.E. Subjects are Use of English, Biology, Chemistry and Physics.

For admission into 200 level (Direct Entry), candidates should (in addition to 5 SSCE credits in relevant subjects, including English Language), General Certificate of Education (Advanced Level) or its equivalent with three passes at the Advanced Level in Biology, Chemistry and Physics in one sitting.

d) **B.Sc. Physiotherapy**

The Physiotherapy Degree programme training shall normally take 5 years for candidates admitted through the Unified Tertiary Matriculation Examination (UTME) and 4 years for candidates admitted by Direct Entry (into 200 Level). The admission requirements are as follows.

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, Chemistry, Biology and Physics. The U.T.M.E. Subjects are Use of English, Biology, Chemistry and Physics.

For admission into 200 level (Direct Entry), candidates should (in addition to 5 SSCE credits in relevant subjects, including English Language): obtain Physics, Chemistry and one other science subject in General Certificate of Education Advanced Level (GCE 'A' Level) or its equivalent.

e) **B. Sc Human Physiology**

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, Chemistry, Biology and Physics. The U.T.M.E. Subjects are Use of English, Biology, Chemistry and Physics.

**For admission into 200 level (Direct Entry)**, candidates should in addition to 5 SSCE credits in relevant subjects, including English Language, obtain Biology, Physics and Chemistry in General Certificate of Education Advanced Level (GCE 'A' Level) or its equivalent.

f) **B.MLS Medical Laboratory Science (5 years)**

**Unified Tertiary Matriculation Examination (UTME) Requirements**

In addition to the University minimum entry requirements, candidates are required to have five (5) "O" Level credits in English Language, Physics, Chemistry, Biology and Mathematics and any other subject in not more than 2 sittings.

**UTME Subjects:** English Language, Biology, Chemistry and Physics

**Direct Entry Requirements (4-year programme)**

In addition to the requirements above, Direct Entry applicant must hold a diploma or its equivalent from a recognized tertiary institution in Nursing, Basic Sciences and Allied Health Science courses or hold a degree in any Basic Science programmes. Applicants must also submit an official transcript of academic record for past qualification from other institution.

g) **B.Sc. Public Health (4 years)**

**Unified Tertiary Matriculation Examination (UTME) Requirements**

In addition to the University minimum entry requirements, candidates are required to have five (5) "O" Level credits in English Language, Physics, Chemistry, Biology and Mathematics and any other subject in not more than 2 sittings.

**UTME Subjects:** English Language, Biology, Chemistry and Physics

**Direct Entry Requirements (3-year programme)**

In addition to the requirements above, Direct Entry applicant must hold a diploma or its equivalent from a recognized tertiary institution in Nursing, Basic Sciences and Allied Health Science courses or hold a degree in any Basic Science programmes. Applicants must also submit an official transcript of academic record for past qualification from other institution.

## 2) FACULTY OF BUILT ENVIRONMENT STUDIES

### a) BSc. Arch. Architecture

**Programme Duration:** 4 (Four) Academic Sessions

#### **Admission Requirements**

Generally, prospective students would need to satisfy the following requirements before they are offered admission into the Redeemer's University.

For admission into 100 level (UTME), candidates should:

1. Obtain 5 credits at SSCE (or equivalent) in English Language, Mathematics, Physics and any other two from Geography, Fine Art, Woodwork, Technical Drawing, Biology or Economics in not more than two sittings;
2. Score a minimum of 200 points in UTME in Use of English, Mathematics, Physics and any of Technical Drawing, Fine Art, Biology, Chemistry, Economics, Geography and Building Construction.

For admission into 200 level (direct entry), candidates should (in addition to 5 SSCE credits in relevant subjects, including English language):

Obtain at least 2 "A" level (or its equivalent) passes at GCE or its equivalent in relevant subjects.

Candidates who hold the Ordinary National Diploma (OND/ND) in architecture or the Higher National Diploma (HND) in Architecture, with an upper credit will be considered for direct entry admission to 200 level provided they satisfy the general entry requirements for admission on 100 level with respect to the Senior Secondary School Certificate or its equivalent.

Under special circumstances, it may be possible to admit candidates from other Universities or equivalent institutions to appropriate levels of the programme in 200 level or 300 level based on pairing of courses. Such cases will be treated on merit provided they are also adjudged to have satisfied the general University entry requirements.

### b) BSc. Urban and Regional Planning

**Programme Duration:** 5 (Five) Academic Sessions

#### **Admission Requirements**

Generally, prospective students would need to satisfy the following requirements before they are offered admission into the Redeemer's University

For admission into 100 level (UTME), candidates should:

1. Obtain 5 credits at SSCE (or equivalent) including English Language, Mathematics and Economics/ Geography/ Fine art/Technical Drawing /Civic Education/ Government, in not more than two sittings;
2. Score a minimum of 200 points in UTME in Use of English, Mathematics, Geography and any of Physics, Chemistry, Economics, Agricultural Science, Biology, Technical Drawing and Fine Art.

For admission into 200 level (direct entry), candidates should (in addition to 5 SSCE credits in relevant subjects, including English language):

Obtain at least 2 “A” level (or its equivalent) passes at GCE or its equivalent in Mathematics, Geography, Economics, Physics and Chemistry.

Holders of OND/ND with overall Upper Credit passes or its equivalent in Town Planning and related subjects are eligible for admission to 200 level of the relevant programme provided that such candidates also satisfy the requirements for admission through UTME.

**Holder of Higher National Diploma with a minimum pass of Upper Credit, may be admitted into 300 level.**

**c) BSc. Surveying and Geo-Informatics**

**Programme Duration:** 5 (Five) Academic Sessions

**Admission Requirements.**

Generally, prospective students would need to satisfy the following requirements before they are offered admission into the Redeemer’s University.

For admission into 100 level (UTME), candidates should:

- i) obtain 5 credits at SSCE (or equivalent) in relevant subjects including English Language, Mathematics, Physics and any two of Geography, Technical Drawing, Fine Art, Chemistry, Biology and Economics in not more than 2 sittings; and
- ii) score a minimum of 180 points in UTME in relevant Use of English, Mathematics, Physics and any of Chemistry, Geography, Economics, Fine Art, and Biology.

**d) BSc. Quantity Surveying**

**Programme Duration:** 5 (Five) Academic Sessions

**Admission Requirements**

Generally, prospective students would need to satisfy the following requirements before they are offered admission into the Redeemer’s University.

For admission into 100 level (UTME), candidates should:

1. Obtain 5 credits at SSCE (or equivalent) in English Language, Mathematics, Physics and any other two subjects from Chemistry, Economics, Geography, Technical Drawing, Biology, Wood Work, Further Mathematics, Building Construction in not more than two sittings;
2. Score a minimum of 200 points in UTME in Use of English, Physics, Mathematics and Chemistry/Geography/Fine Art/Biology/Economics.

For admission into 200 level (direct entry), candidates should (in addition to 5 SSCE credits in relevant subjects, including English language):

Obtain at least 2 "A" level (or its equivalent) passes at GCE or its equivalent in relevant subjects.

Holders of OND/ND with overall Upper Credit passes are eligible for admission to 200 level of the relevant programme provided that such candidates also satisfy the requirements for admission through UTME .

For admission into 300 level (Direct entry), candidates should be holders of HND in Quantity surveying with overall minimum of Upper Credit Pass to be eligible for admission to 300 level provided that such candidates also satisfy the requirements for admission through UTME.

#### e) **BSc. Building Technology**

**Programme Duration:** 5 (Five) Academic Sessions

#### **Admission Requirements**

Generally, prospective students would need to satisfy the following requirements before they are offered admission into the Redeemer's University.

For admission into 100 level (UTME), candidates should:

1. Obtain 5 credits at SSCE (or equivalent) in English Language, Mathematics, Physics, Chemistry and any one of the following subjects: Economics, Geography, Building Construction, Technical Drawing, Biology, Further Mathematics, Land Surveying, Data Processing, Woodwork, Metal Work, Electronics and Basic Electricity, in not more than two sittings;
2. Score a minimum of 200 points in UTME in Use of English, Mathematics, Physics and Chemistry/Fine Art/Biology/Economics/Geography.

For admission into 200 level (direct entry), candidates should (in addition to 5 SSCE credits in relevant subjects, including English language):

Obtain at least 2 "A" level (or its equivalent) passes at GCE or its equivalent in Mathematics, and one of Chemistry, physics, Geography and Economics.

Candidates who hold the Ordinary National Diploma (OND/ND) from recognised polytechnic or College of Technology at Upper Credit level in Quantity Surveying, Building, Architecture or Civil Engineering, are eligible for admission to 200 level of the relevant programme provided that such candidates also satisfy the requirements for admission through UTME.

**f) BSc. Estate Management**

**Programme Duration:** 5 (Five) Academic Sessions

**Admission Requirements**

Generally, prospective students would need to satisfy the following requirements before they are offered admission into the Redeemer's University.

For admission into 100 level (UTME), candidates should:

1. Obtain 5 credits at SSCE (or equivalent) in relevant subjects including English Language, Mathematics, Economics and any other two subjects selected from Chemistry, Physics, Biology, Geography, Building Construction, Technical Drawing, Fine Arts, Wood-Work, Computer Studies/ICT, Block laying and concrete work, Plumbing and Pipe fitting, Electrical Installation and Maintenance work, Marketing, and Painting and Decoration in not more than two sittings;
2. Score a minimum of 200 points in UTME in Use of English, Mathematics, Economics and Biology/Physics/Chemistry/Geography/Technical Drawing /Fine Art.

For admission into 200 level (direct entry), candidates should (in addition to 5 SSCE credits in relevant subjects, including English language):

Obtain at least 2 "A" level (or its equivalent) passes at GCE or its equivalent in Mathematics and Economics.

Holders of OND/ND with overall Upper Credit passes are eligible for admission to 200 level of the relevant programme provided that such candidates also satisfy the requirements for admission through UTME.

**Admission to 300 Level (Exemption from 200 Level and 300 Level)**

Holders of Higher National Diploma (H.N.D) in the fields relevant to Environmental Planning, Design and Management may be considered for admission into 300 Level provided they meet all conditions stipulated above.

### **3) FACULTY OF ENGINEERING**

#### **a) Mechanical Engineering, B.Eng.**

**Programme Duration:** 5 (Five) Academic Sessions

##### **Admission Requirements**

Generally, prospective students would need to satisfy the following requirements before they are offered admission into the Redeemer's University.

For admission into 100 level (UTME), candidates should:

1. Obtain 5 credits at SSCE (or equivalent) in relevant subjects including English Language, Mathematics, Physics, Chemistry and other acceptable science subject at not more than two sittings. It is also desirable for candidates to pass Further Mathematics and Technical Drawing at credit level as added advantage;
2. Score a minimum of 200 points in UTME in Use of English, Mathematics, Physics and Chemistry.

For admission into 200 level (direct entry), candidates should (in addition to 5 SSCE credits in relevant subjects, including English language):

Obtain at least 2 "A" level (or its equivalent) passes at GCE or its equivalent in relevant subjects.

Holders of OND/ND or NCE with overall Upper Credit passes are eligible for admission to 200 level of the relevant programme provided that such candidates also satisfy the requirements for admission through UTME.

#### **b) Civil Engineering, B.Eng.**

**Programme Duration:** 5 (Five) Academic Sessions

##### **Admission Requirements**

Generally, prospective students would need to satisfy the following requirements before they are offered admission into the Redeemer's University.

For admission into 100 level (UTME), candidates should:

- Candidates for Direct Entry admission shall possess five Credits in GCE, SSCE, NECO, or their equivalents, of which at least two shall be at Advanced Level, provided that such passes are not counted at both levels of examination. For emphasis, credit passes in English Language, Mathematics and Geography are required.

OR

- National Diploma in Tourism Studies, Hospitality Management, Aviation Studies, and Recreational Studies or equivalents with a minimum of Upper

Credit from approved Polytechnics, Colleges of Technology, and Institutes.

OR

- University Diploma in Tourism Studies and Hospitality Management, and other University Diploma in related courses acceptable to the Department with a minimum of Upper Credit.

OR

- Redeemer's University JUPEB.

**Inter-University Transfer candidates** must present their JAMB admission letter to previous University, JAMB result slip, and O'level results amongst other important documents required.

## 7) FACULTY OF NATURAL SCIENCES

### a) B. Sc. Microbiology

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, Chemistry, Biology and Physics. The UTME subjects include Use of English, Chemistry, Biology and any of Mathematics or Physics.

#### **Direct Entry:**

Candidates seeking admission into 200 Level (direct Entry) must satisfy the following requirements.

- Credit passes in five ordinary level including English, Mathematics, Biology, Chemistry and Physics at one sitting or six credit passes at two sittings.
- Obtain at least two 2A' Level passes at GCE or its equivalent in relevant subjects.
- Holders of OND/ND with Upper Credit pass or NCE with overall Credit Pass are eligible for admission to 200L.
- **JUPEB/Foundation Programme:**  
Only students with a minimum point of six (6) on a scale of fifteen (15) shall be considered for admission.

**Inter-University Transfer candidates** must present their JAMB admission letter to previous University, JAMB result slip, and O'level results amongst other important documents required.

### b) B. Sc. Computer Science

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, Physics, and any other Science subjects from Chemistry, Biology, Further Mathematics, Agricultural Science and Geography. The UTME subjects include Use of English, Mathematics, Physics and any of Biology, Chemistry or Geography.

#### **Direct Entry:**

To qualify for admission to 200 Level, applicants should possess any of the following qualifications, in addition to possessing the requirements for admission to 100 level:

- Two advanced level passes in Mathematics and any of Physics, Chemistry, Biology or Geography, in GCE 'A' Level/JUPEB/IJMB or its equivalent.

- Upper credit in ND/NCE in Computer Science or Cyber Security or Information Technology or any other related discipline.

**Inter-University Transfer candidates** must present their JAMB admission letter to previous University, JAMB result slip, and O'level results amongst other important documents required.

**c) B. Sc. Cybersecurity**

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, Physics, and any other Science subjects from Chemistry, Biology, Further Mathematics, Agricultural Science and Geography. The UTME subjects include Use of English, Mathematics, Physics and any of Biology, Chemistry or Geography.

**Direct Entry:**

To qualify for admission to 200 Level, applicants should possess any of the following qualifications, in addition to possessing the requirements for admission to 100 level:

- Two advanced level passes in Mathematics and any of Physics, Chemistry, Biology or Geography, in GCE 'A' Level/JUPEB/IJMB or its equivalent.

**Inter-University Transfer candidates** must present their JAMB admission letter to previous University, JAMB result slip, and O'level results amongst other important documents required.

**e) B.Sc. Industrial Mathematics**

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, and any other three subjects from Further Mathematics, Physics, Chemistry, Biology, Economics, Geography, and Agricultural Science. The UTME subjects include Use of English, Mathematics, and any of two of Physics, Chemistry, and Biology.

**Direct Entry:**

To qualify for admission to 200 Level, applicants should possess any of the following qualifications, in addition to possessing the requirements for admission to 100 level:

- Two Advanced Level (GCE, JUPEB, IJMB, etc) pass in Mathematics and any of, Physics or Chemistry.
- Credit in ND/NCE in Mathematics, or any related subject.
- Credit in Professional Diploma in Mathematics and/or Statistics obtained from recognized institutions.

**Inter-University Transfer candidates** must present their JAMB admission letter to previous University, JAMB result slip, and O'level results amongst other important documents required.

**f) B.Sc. Industrial Mathematics and Computer Science**

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, Physics, and any other two subjects from Further Mathematics, Chemistry, Biology/Agricultural Science, and Economics. The UTME subjects include Use of English, Mathematics, and any of two of Physics, Chemistry, and Biology.

**g) B.Sc. Statistics**

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, and any other three subjects from Further Mathematics, Physics, Chemistry, Biology, Economics, Geography, and Agricultural Science. The UTME subjects include Use of English, Mathematics, and any of two of Physics, Chemistry, and Biology.

**Direct Entry:**

To qualify for admission to 200 Level, applicants should possess any of the following qualifications, in addition to possessing the requirements for admission to 100 level:

**NOTE: DE and Inter-university transfer Candidates will not be admitted to Petroleum Chemistry in 2024/2025 admission exercise**

#### **o) BSc. Environmental Management & Toxicology**

**Programme Duration:** 5 (Five) Academic Sessions

#### **Admission Requirements**

Generally, prospective students would need to satisfy the following requirements before they are offered admission into the Redeemer's University.

For admission into 100 level (UTME), candidates should:

1. Obtain 5 credits at SSCE (or equivalent) in relevant subjects including English Language, Mathematics, Chemistry, Physics, and Biology.
2. Score a minimum of 200 points in UTME in Use of English, Mathematics, Physics and Biology/Chemistry/Geography.

Direct Entry candidates must fulfil the requirements above and in addition:

- a. have obtained GCE 'A' Level/JUPEB or equivalent with passes in Biology and Chemistry, or
- b. holds an ND (upper credit) in Environmental Studies or
- c. holds an HND (lower credit) in Environmental Studies, Environmental Toxicology or any related discipline.

## 8) FACULTY OF SOCIAL SCIENCES

### j) B. Sc. Sociology

Five (5) O/L credit passes in the SSCE (WAEC or NECO) at not more than 2 sittings to include English Language, Mathematics, Economics or Geography or Government and any other two subjects from Arts or Social Sciences. The UTME subjects include Use of English and any three of Economics, Government, Geography, Christian Religious Knowledge, Commerce and Literature-in-English.
